Re: Cruz Villar, Dkt# 18CR10362

On May 9, 2019, defense counsel filed a motion requesting permission from the Court for Mr. Villar to travel to Miami, Florida to attend a graduation. The Court granted the motion on that same date. While the Probation Office does not object to this request given Mr. Villar's compliance on pretrial release, the Probation Office would like to notify the Court that Mr. Villar's curfew condition would need to be suspended to allow for this travel. Mr. Villar is currently monitored via a radio frequency bracelet that communicates with a receiver located in his home. If Your Honor approves this request, please sign below. Please let me know if you have any questions.
